Kamala Communist Kamala
I have a story to tell
Why you lock Cheree up?
You threw her in the cell.

Her daughter has Anemia
Some call it Sickle Cell
She missed too many school days
So you locked her Mom in jail.

Kamala, Kamala, Kamala
I gotta story to tell
Why you lock Cheree up?
Her daughter wasn't feeling too well.
She has sickle cell anemia it attacks her red blood cells
When she was down sick in the hospital, you put her Mom in jail!

Single Black Mom in LA struggling just trying to make it
Now your pandering for the Black vote
So now you claim half Jamaican
You race flip for occasions
You said you were East Asian
You don't care about no America
You allowed this invasion

You know what's funny
Kamala be loving the money
She was willing to lock up the parents they say
For truancy \$30 per day

Don't take my word just ask Cheree

That's how the schools in California get paid
Brought to you by California D.A.
Miss K-A-M-A-L-A

Cheree had to fight till she was broke
Her 'lil daughter Shayla had a stroke
Kamala Harris ain't nothin' but a joke
She locked up blacks over marijuana smoke
But let me get back to the details
Cheree spent 2 years fighting jail
She lost her job and got evicted
This a true story it ain't scripted.

And the word that's around town
That laughing hyena got passed around
Who is Mr. Willie Brown?
You can go ask Judge Joe Brown
But back to my story
Shayla was traumatized
I see the pain and hurt in her eyes
Kamala should apologize!
